3rd Committee Meeting: August 11th, 2019 - 2:45-5:45 p.m.

For the last 19 years Our Strong Tower Conference has been equipping the Christian body to reach out to Muslims and challenge Islam. We would like to improve The OST Conference this year by putting together a committee that can plan and prepare for the conference by selecting speakers, assigning topics, choosing a location, and effectively promoting the event. We are looking for an event coordinator, representatives who can promote the event at their churches, helpers with the sound system and videotaping, planners and managers to keep the schedule, and helpers with advertising and graphic design knowledge for articles, etc. It would be a tremendous blessing, if you can join our organizing committee by bringing your ideas and gifts to the table!
